Psycho-emotional state Fine	<b>0.91</b>
Musculoskeletal system Fine	<b>1.07</b>
<b>Average value</b>	<b>33.53</b>

**Recommendations**

**Immune system**

Insufficiency

The organ that is most often in the greatest insufficiency requires the greatest attention. An organ in a state of hyperactivity is compensatory; your observation is recommended. As a rule, no action is required.

If you observe an organ metric below 15% for several days, you should consult a doctor.
