L2	L1	H1	H2	
19.67	14.93	35.14	29.80	

Recommendations

The organ that is most often in the greatest insufficiency requires the greatest attention. An organ in a state of hyperactivity is compensatory; your observation is recommended. As a rule, no action is required. If you observe an organ metric below 15% for several days, you should consult a doctor.
